One of our
members hand
delivered this
invitation to you!

📍 20 Edinburgh St, Pukekohe 🕒 Thursdays 7-9pm ✓ RSVP to lessons@franklinbridgeclub.com / 09 238 5760

Maureen will be your teacher

"I've been playing bridge for 25 years, My family played a lot of cards in my childhood and I've always enjoyed any kind of competitive game.

I enjoy the strategy and "thinking" of playing bridge - working out either how we can win our contract, or prevent the other side from winning theirs.

One of my criteria for finding a new home 15 years ago was "it has to have a bridge club" - Franklin Bridge Club is a very friendly and supportive environment, and bridge is a great way of finding a new community. I enjoy teaching, and I love seeing students "get it" - every teacher's happy place!

Feedback from Trevor

"I would like to say that Franklin Bridge Club has been a fantastic club for a beginner. The lessons were great, Caroline, Kevin and Maureen have been very supportive and I felt that all the other members that I played with or spoke with were very courteous and did not say much when I played badly, they were always helpful and positive in explaining why I'd made the wrong bid so I'd learn for the next time.

My partner, from an out of town club that I'll be joining, has said that Franklin is probably the best club she's had any experience with, a very vibrant and helpful group of members. So we are disappointed we can't play there all the time. We do hope to play any tournaments at Franklin Bridge Club if we can"
